Share a little magic...

For those of you who don't know me my name is Paul Connelly and I have had the pleasure of working at Angus Glen Golf Club for the past 11 years. I am very proud to be able to host this fundraising tournament, in memory of my father, on our North Course. It has been my honor to be a part of Big Brothers Big Sisters a truly fantastic program. This year a portion of the proceeds will go to creating a scholarship for kids of the program in my fathers name.
